TEACHERS COLLEGE
MIAMI UNIVERSITY
OXFORD, OHIO

H. C. MINNICH, DEAN

I am dedicating this illustrated bulletin to the young men and women of Ohio who desire to enter the patriotic service of training the youth of our great country into a self-supporting and self-controlling people, the dream of our greatest statesmen and wisest forefathers.

Hoping that you are thinking of some such occupation, that this book will aid you in choosing a college in which you can best prepare for it, and that we may have the pleasure of seeing you among our students at the opening of the next college year, I am

Most sincerely yours,

A handwritten signature in cursive script, reading "H. C. Minnich". The signature is written in dark ink and is positioned below the typed name of the dean.

MAIN BUILDING

MIAAMI UNIVERSITY, founded in 1809, one of the oldest colleges of the middle west, is located in Oxford, Ohio, fourteen miles northwest of Cincinnati, on the Cincinnati, Indianapolis, and Western Railroad. Oxford is a village of wide streets and beautiful shade trees. Miami University is co-educational and confers the degrees of Bachelor of Arts, Bachelor of Science in Education, and the State Normal Diploma.

THE COLLEGE OF LIBERAL ARTS—(For full information send for “With Miami Men” and a general catalog of Miami University.)

THE TEACHERS COLLEGE was established at Miami in 1902. Training is offered to elementary teachers, high school teachers, and special teachers. The Teachers College Catalog gives general information about the University and a description of courses leading to the State Normal Diploma. The General Catalog gives general information about the University and descriptions of all of the curricula offered in the University.

McGUFFEY HALL—TEACHERS COLLEGE BUILDING

McGuffey Hall is named in honor of William Holmes McGuffey, who wrote the McGuffey Readers while a professor in the University 1826-36.

The McGuffey Readers became the universal readers for the Ohio Valley and fol-

lowed the westward march of the American people to the Pacific coast. In many homes and communities these books constituted the entire literary library.

McGuffey Hall is the center of activity for the students preparing to teach.

VOLLEY BALL

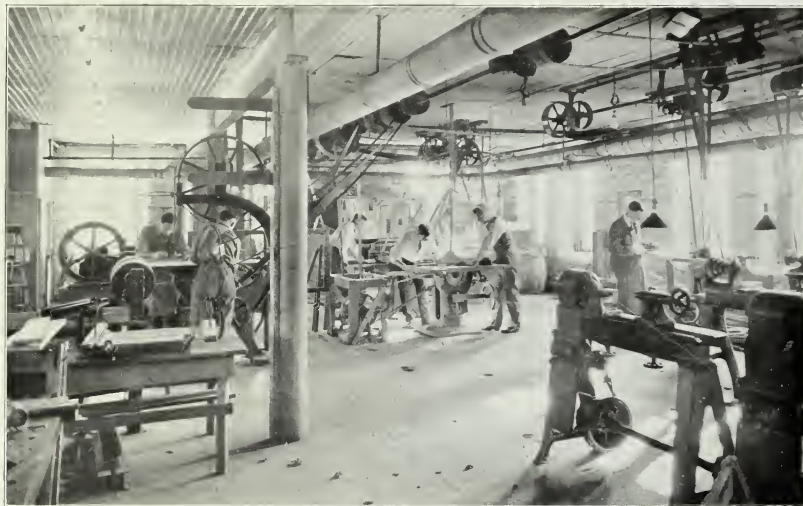

THE FIRST CLASS IN SPECIAL EDUCATION

In 1921 there was established at the Teachers College of Miami University a Department for the Training of Teachers of Defective Children—subnormal and delinquent. Teachers who prepare themselves for this type of teaching receive higher remuneration. Many superintendents are establishing classes of such children in the systems under their charge. If you are interested in this type of teaching, send for Special Bulletin, Bureau of Special Education.

POINTS TO BE NOTED ABOUT THE TEACHERS COLLEGE
OF MIAMI UNIVERSITY

1. A faculty of ripe scholarship and experience.
2. The college and living expenses at Miami are notably *moderate*.
3. Self-help is possible to many students who are *needy*.
4. McGuffey School of over 400 pupils is housed in the college building and affords ideal opportunities for observation and practice teaching.
5. A community of college atmosphere. Western College for Women and Oxford College for Women are located in Oxford. The distinguished musical composer, Edgar Stillman Kelly, and Percy MacKaye, literary author and playwright, live in the community.
6. The Y. M. C. A. and the Y. W. C. A. of the college, the Wesley Student Center of the Methodist Episcopal church, St. Faith's House of the Episcopal Church, and the student affiliation in other churches of the village make an environment favorable to moral and religious growth.
7. Musical and literary organizations, athletic and social groups provide for wholesome recreation and social contact.
8. High School, Elementary, and Special State Teachers' Certificates are awarded to all graduates.
9. Graduates of the Teachers College are assured positions at excellent salaries in the best school systems.
10. A large teaching alumni guarantee college friends in your work when you enter upon the profession of teaching.
